# GLOBAL ECOSYSTEM

of suppliers, manufacturers, distributors, and retailers accelerating commerce with SABX

## The MATERIAL MAXIM Material Innovation Hub powered by SABX

From purchase order to final product delivery, each connection and transaction represents sustainability improvement for your business. We empower brands to provide customers with sustainable product and service choices.

**"IF WE CAN...WE SHOULD...SO WE ARE..."**

**MATERIAL MAXIM companies are industrial AVENGERS.**

Sustainability is the core of our culture, an unwavering commitment to positive change producing better, healthier products for a more vibrant future.

*A group of companies innovating sustainability practices to help secure our collective future.*
